COMPUTERS AND DATA PROCESSING

U. S. GOVT. PUBS.
DEPOSITORY 376

Almanac for Computers, 1986. Provides astronomical data in a format for small computers and calculators used in navigation and positional astronomy. Concise mathematical expressions are used to represent the coordinates of celestial bodies for specific periods of time. Expressions are approximations. 1985: 100 p.
D 213.14:986

\$ 3.50

Automation and the Workplace: Selected Labor, Education, and Training Issues, A Technical Memorandum. Discusses procedures for evaluating potential employment change associated with automation, and outlines associated problems. Also provides descriptions of the nature and modes of delivery of education, training, and retraining for persons holding or seeking employment in manufacturing industries. 1983: 113 p.; ill.
Y 3.T 22/2:11 Au 8

S/N 052-003-00900-5

5.50

Automation of America's Offices, 1985-2000. Assesses the consequences of the rapid introduction of information and telecommunications technologies in the office. Issues discussed in detail include productivity; training; the quality of worklife; security of information; home-based office work; and how office automation affects women and minorities. 1985: 369 p.; ill.
Y 3.T 22/2:2 Au 8/4

S/N 052-003-01013-5

BEHAVE: Fire Behavior Prediction and Fuel Modeling System--Fuel Subsystem. Documents the fuel modeling portion of BEHAVE, a system of computer programs that construct fire behavior fuel models and predict wildland fire behavior. Instructions are provided for the NEWMDL and TSTMDL programs. 1984: 126 p.; ill. Issued with perforations. A 13.88:INT-167

S/N 001-001-00596-7

GP 3.22/2:

Competitive Assessment of the United States. The following reports define and describe each industry and discuss their past and current performances and foreign competitive positions. Recommendations of Federal actions that could enhance their future competitiveness are also given.

Data Processing Services Industry. 1984: 67 p. C 61.2:D 26	S/N 003-009-00437-3	\$ 3.00
Disk Storage Industry. 1985: 67 p.; ill. C 61.2:St 7	S/N 003-009-00461-6	2.50
Software Industry. 1984: 109 p.; ill. and errata sheet. C 61.2:So 2/2	S/N 003-009-00436-5	4.50
Computer and Mathematics-Related Occupations. <i>Contains the employment outlook for computer operating personnel, computer service technicians, programmers, system analysts, and related occupations.</i> 1986: 24 p.; revised ed.	S/N 029-001-02869-5	1.25
Computer Crime:		
Criminal Justice Resource Manual. <i>Simplifies data processing terms and concepts enabling criminal investigators and prosecutors to better plan investigations and prosecute cases involving computer crime.</i> 1979: 432 p.; ill. J 26.8:C 86/5	S/N 027-000-00870-4	10.00
Computer Security Techniques. <i>Describes and classifies over 80 computer security procedures used in the public and private sector in terms of strengths, weaknesses, costs, and target vulnerabilities. Also identifies some legal issues relevant to computer hardware and data protection.</i> 1982: 231 p. J 29.2:C 86	S/N 027-000-01169-1	7.50
Electronic Fund Transfer Systems and Crime. <i>Reviews the crime-related implications of the growth of computers in the financial community, and attempts to determine the nature and magnitude of electronic funds transfer crime.</i> 1982: 205 p.; ill. J 29.9:NCJ-83736	S/N 027-000-01170-5	7.00
Legislative Resource Manual. <i>Assists criminal justice personnel by familiarizing them with the technical and legal issues confronting computer related crime prosecutions.</i> 1981: 136 p.; ill. J 29.8:C 73/2	S/N 027-000-01135-7	6.50

- Computer Data Base System for Indexing Research Papers. *Programs are written in standard FORTRAN VIII Level I programming language.* 1982: 106 p.; ill. C 13.46:1167 S/N 003-003-02432-5 \$ 5.50
- Computer Education: A Catalog of Projects Sponsored by the United States Department of Education, 1983. 1984: 315 p. ED 1.302:C 73 S/N 065-000-00202-7 9.00
- Computer Literacy: Definition and Survey Items for Assessment in Schools. *Survey questionnaires with numerous questions on computers and computer-related resources designed for school superintendents, principals, teachers, and students in elementary and secondary education.* 1983: 219 p. ED 1.102:C 73 S/N 065-000-00196-9 7.00
- Computer Program for Absorbed Dose to the Breast in Mammography. *Discusses two FORTRAN programs designed to compute absorbed dose to the glandular tissue of five breast models.* 1985: 46 p.; ill. HE 20.4602:C 73 S/N 017-015-00228-4 2.00
- Computer Science and Technology:
- Assessment of Techniques for Evaluating Computer Systems for Federal Agency Procurements. 1984: 34 p.; ill. C 13.10:500-113 S/N 003-003-02561-5 2.00
- Audit and Evaluation of Computer Security 2, System Vulnerabilities and Controls: Proceedings of the NBS Invitational Workshop Held at Miami Beach, Florida, November 28-30, 1978. 1980: 211 p.; ill. C 13.10:500-57 S/N 003-003-02178-4 7.00
- Benchmark Analysis of Database Architectures: A Case Study. 1985: 197 p.; ill. C 13.10:500-132 S/N 003-003-02684-1 7.50
- Bibliography of the Literature on Optical Storage Technology. 1983: 178 p. C 13.10:500-107 S/N 003-003-02539-9 4.50
- Care and Handling of Computer Magnetic Storage Media. 1983: 136 p. C 13.10:500-101 S/N 003-003-02486-4 5.50
- Data Base Directions, Information Resource Management, Strategies and Tools: Proceedings of the Workshop of the National Bureau of Standards and the Association for Computing Machinery, Held October 20-22, 1980 at Fort Lauderdale, Florida. 1982: 180 p. C 13.10:500-92 S/N 003-003-02419-8 6.50

INFORMATION CONCERNING YOUR ORDER

Payment is required in advance of shipment of publications. You may order using check or money order drawn on a bank located in Canada, the United States, or United States possessions, in U.S. dollars. (NOTE: In accordance with U.S. Department of the Treasury regulations, we cannot accept checks drawn on Canadian banks or Canadian money orders for amounts of less than four U.S. dollars (\$4.00). If your order totals less than \$4.00, we suggest that you use your MasterCard or VISA account.) Make checks/money orders payable to the Superintendent of Documents. Checks returned by the bank as uncollectible are subject to a penalty of up to 10 percent of the amount of the check, with a minimum charge of five dollars (\$5.00). You may also order by using your VISA, MasterCard, or Superintendent of Documents Prepaid Deposit Account. Do not send currency (bills or coins) or postage stamps.

Shipping is by non-priority mail or United Parcel Service (UPS). First class and airmail services are available for an additional charge if requested. Please contact us in advance for rates if you desire this service (202-783-3238) and indicate on your order if you desire special postage.

DISCOUNTS:

With the exception of certain publications and subscriptions, a discount of 25% from the domestic price is allowed on orders of 100 or more units of issue mailed to a single address. A discount of 25% from the domestic price is also applicable on orders from bookdealers, for orders of any quantity, mailed to the dealer's business address. (The maximum discount allowable is 25%).

INTERNATIONAL CUSTOMERS:

Mailing regulations require special handling for orders mailed to addresses outside the United States or its possessions for which we charge an additional 25% of the domestic price. Payment is required in advance by one of the methods stated above. You may also remit by UNESCO coupons or by International Postal Money Order, made payable to the Superintendent of Documents. Foreign currency and foreign checks will not be accepted. All orders must be in English. International customers are allowed the same discounts stated above.

Orders are sent via surface mail unless otherwise requested. Should you desire airmail service, please contact us in advance by letter, telephone (202-783-3238), or Telex (#710-822-9413; ANSWERBACK USGPO WSH) for the total cost of your order.

To Order, Use Form On Reverse Side

1. A separate order form must be used for ordering publications and subscriptions.
2. Type or print your complete name and address, home and office telephone numbers, date, order number (if any), Deposit Account Number (if applicable), VISA or MasterCard number and expiration date (if applicable), in proper places at the top of the form. If order is to be shipped to another location, enter address at bottom of form. All prices include postage and handling.
3. When ordering publications, type or print the stock number, unit of issue (see front), quantity, title, price, and total payment enclosed. Allow 4 weeks for delivery (longer for International Orders).
4. When ordering a subscription service, type or print the quantity, title, price, List ID (when available), and total payment enclosed. Allow 2-6 weeks, plus mailing time, for processing. All subscriptions are for one year, unless otherwise noted. Subscribers will be notified by mail in ample time to renew.
5. Mail your order form to Superintendent of Documents, U.S. Government Printing Office, Washington, D.C. 20402.
6. Orders and inquiries can be placed with our order/information desk (202-783-3238) from 8:00 a.m. to 4:00 p.m., Eastern Time.
7. This form may be reproduced.
